AIROVAX

AI Robotic Operations & Versatile Automation eXperts

TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Mr. Ajay S.** worked as a Controls Engineer and has successfully completed an internship at **AIROVAX INDIA Pvt. Ltd.** from April 09, 2026 to July 09, 2026.

During his internship, he demonstrated excellent commitment to his responsibilities, applied technical knowledge effectively, and showed a keen interest in continuous learning.

As part of the internship, Mr. Ajay S. worked extensively on:

- **CETOS AUTO LOADER SYSTEM** - Designed and integrated industrial automation electrical systems, electrical drawings, control panel design and wiring, relay logic, PLC communication, servo programming, and HMI development.

His work reflects a strong foundation in robotic and industrial automation. The tasks completed during the internship have laid the groundwork for future efforts in designing advanced automation systems and intelligent robotics solutions.

We appreciate Mr. Ajay S.'s contributions and commend him for his dedication and professionalism throughout the internship.

We wish him success in all future academic and professional endeavours.
